[redacted] Mr. Michaels, House Appropriations Committee staff, indicated that Chairman Mahon had received a letter from [redacted] of the National Student Association, asking for a letter of endorsement and support from Mahon to the NSA. Mr. Mahon wanted to know if it would be helpful if he did respond. After discussing this with [redacted] I advised Mr. Michaels of some of the specific positions and issues within the NSA which would indicate that it would be of no assistance even in a broad sense to the Government and certainly would not be helpful to Mr. Mahon. Michaels indicated this had been his general thinking and thanked me for the specifics.

[redacted] Chris Sylvester, in the office of Senator Milton Young, advised that Senator Ervin had responded to Senator Young's letter asking for an exemption for the Agency and the National Security Agency from S.1035. Mr. Sylvester provided us with a copy of this letter.
